

# Call for Abstracts

Geobiology Symposium, McGill University, Montréal  
23-24 March 2012

Submit a title or an up to 300 word abstract along with the preferred type of presentation (poster or oral) and category to [geobiology2012@gmail.com](mailto:geobiology2012@gmail.com) no later than 1 March 2012.

## Categories include:

- Changes in ocean chemistry over Earth's history
- Novel geochemical proxies in Earth history
- Evolution of Metazoans
- Modern and ancient environments

Presentations that might fall out of these categories are also welcome.

## Symposium Schedule:

### March 23

Evening public keynote lecture by Paul F. Hoffman (Harvard University & University of Victoria).

### March 24

15 minute oral presentations and poster presentations.

## Guest speakers:

Phoebe Cohen (MIT)  
John Higgins (Princeton)  
Nadia Mykytczuk (McGill)  
Clinton Scott (McGill)  
Nicholas Swanson-Hysell (Carleton College & University of Minnesota)

## Contact and further information:
